

SAVE THE DATE!

August 30 & 31 in San Francisco
Register Now for Value Rates

Momentum is building and planning for the **2010 CAPCOA Climate Change Forum** is in full-swing. Climate and energy policy issues are making headlines on a daily basis, and the conference agenda will feature timely topics and relevant discussions about the climate issues impacting you the most.

Join us as we discuss the issues and opportunities surrounding the harmonization of California and Federal Climate Change programs.

REGISTRATION

Value rates for registration are available through February 28, meaning time is running out to take advantage of your opportunity for significant savings. Choose to play an important role in this landmark event as we create a foundation for climate change programs and protocols for years to come. Click [here](#) to register now.

SPONSORSHIP

Signing on as a sponsor or exhibitor of this event sends the message to hundreds of conference attendees that your company plays an active role in the development of strategies and policies that will enable California to take a proactive stance against the impacts of climate change. Click [here](#) to view the Sponsorship Prospectus.

SPECIAL NOTE!

If you sponsored or exhibited at CAPCOA's 2008 "The Future is Green" event, you are eligible to receive 15% off the price of a Platinum or Gold sponsorship for the CAPCOA Climate Change Forum. Please review the [sponsorship prospectus](#) for a detailed listing of Platinum and Gold sponsor benefits and secure your participation today!
